New Phone Search Increases Productivity

Dallas, TX – January 5, 2007 – Why spend the time and effort weeding through outdated, old and duplicate numbers when you can get active and unique numbers at a competitive price? NSTN is pleased to announce the launch of Live Connect. Live Connect will save you time and money by increasing the effectiveness of your collection personnel by filtering out duplicates and providing only active, unique numbers. Live Connect uses innovative proprietary technology to take a phone search to a whole new level!

“We are always looking for ways to improve and streamline the efforts of our clients,” said NSTN President, Chris Kizziar, “and I believe Live Connect will revolutionize the future of phone searches.”

Live Connect is available via batch processing on a pay per-hit basis to meet the needs of clients large and small.
